

Take your workforce's pulse and craft the best benefits and compensation with an online survey solution

▶ Getting feedback from your employees sometimes can be a daunting task, especially if you have a large workforce or one that's in multiple locations. As members of United Benefit Advisors®, we can offer you access to a fast and simple survey solution that can draw out your employees' opinions on benefits, compensation, workplace perks, job satisfaction – virtually any topic you wish.

SurveyMonkey.com is an easy online solution that gathers answers and analyzes results in a flash. The surveys, which can be customized with your logo and colors, offer a wide variety of question types, from true-false statements to essay answers. SurveyMonkey.com can dig up the data you need without the hassles of expensive software programs or tedious paper questionnaires.

Why SurveyMonkey?

Flexible Solution: SurveyMonkey is a web-based program, which means it can support an infinite amount of questions. Conversely, its simplicity makes it ideal for short surveys as well.

Service You Can Trust: SurveyMonkey conceals your information behind the latest firewall and intrusion prevention technology and can take extra steps to protect your data. Survey Monkey, which is not affiliated with any third parties, will keep all data confidential.

Customizable Options: SurveyMonkey allows you to choose from more than 20 types of questions, can support nearly any language and can be customized with your logo or images.

Data Analysis: SurveyMonkey can prepare your results in a variety of formats, including a breakdown of individual responses.
